

Vemma Bod•ē System

A Weight Management Solution

3 Simple Components

This is not a fad diet! No meal replacement shakes or bars...Enjoy foods you love! This is truly a system that everyone can live with--because let's be honest, "Life Happens."

1. The Page Food Cycling Program

*Allows you to see instant results with a long term plan to keep the weight off.

Based on three cycles:

- ***Extreme Burn**--the first 2 days flip the switch and turn your body into a fat-burning machine.
- ***Burn**--continued fast weight (fat) loss while adding more freedom to encourage your body to be an efficient fat burner
- ***Steady Burn**-- puts you in control of the design of your maintenance plan to eat the foods you want and live the lifestyle you want.

2. The **Bod-e** Products

Over 30 different healthy ingredients that would take a shopping cart to duplicate, plus the proven Vemma formula.

3. Support System

A revolutionary program with text and email reminders, tips and encouragement. You will have your very own virtual personal trainer!
